The Commack Public Library at 18 Hauppauge Road is nearing completion and our anticipated grand opening is still scheduled for mid-November. The general contractor plans to turn over the building to us in mid-October while they continue to do their punch-list items. At some point towards the end of October, we may need to close for approximately fourteen days to complete the enormous move of materials, furniture and supplies.

The new building will include:

- A separate children’s room designed to provide an enriching environment for children and families with special dedicated spaces for computer use, play space and programs
- A designated young adult area for teenagers
- A designated area for senior citizens
- A large, dividable community room and meeting room space for Library programs and community groups
- Handicapped accessibility including an elevator for public use
- Additional space for public seating and leisure reading
- Quiet rooms for individuals and/or group study
- Increased Wi-Fi efficiency throughout the building
- Greater energy efficiency
- A ceiling mounted projector and new audio/virtual equipment for use with virtual presentations, as well as assistive listening devices for the hearing impaired

Thank you in advance for your understanding and cooperation during this transition.

Please continue to visit our website for updated information regarding the move as well as information regarding our grand opening date. We plan on updating the website as frequently as possible. We will share information with you as we are given updated information from the general contractor and the construction manager.

Again, thank you for your support and patience.

Laurie Rosenthal
Director

The goal is to transform a flat sheet square of paper into a finished sculpture through folding techniques. The best-known origami model is the Japanese paper crane, a design that is considered to be the most classic of all Japanese origami. It is a representation of the Japanese red-crowned crane that is referred to as the “Honourable Lord Crane” in Japanese culture. The Japanese believed that its wings carried souls up to paradise. The book, Sasaki and the Thousand Paper Cranes, a classic Japanese work that displays the significance of a thousand paper cranes, will also be discussed. The participants will get a chance to create this iconic piece along with other animals and geometric designs such as boxes and fans.

HEARTS IN HAND – A COMMUNITY CONNECTION GROUP

Thursday, November 2nd, 7:00 PM – 8:30 PM
Location: Temple Beth David, 100 Hauppauge Road, Commack
Register at the Circulation Desk, by phone, or online
Building social relationships may extend the years of our lives and enhance the quality of our years. With this in mind, social worker Marjorie Cohen and recreational art therapist Denise Cianciotti created “Hearts in Hand Community Connections Groups” to offer opportunities for women to share, learn and grow. Their complementary backgrounds in counseling and art therapy provide a unique approach that will guide women through an expanded understanding of themselves, others and the greater community. They have designed an interactive program utilizing focused discussion as well as hands-on creative experiences to heighten the richness and enjoyment of life. This program, which is planned to meet monthly, is open to anyone who wishes to expand her personal interests and widen her social circle of support.

GREAT BOOKS READING AND DISCUSSION GROUP

Tuesday, October 3rd, 7:30 PM – 9:30 PM
Location: Fay Lindner Assisted Living, 50 Hauppauge Road, Commack
The Great Books Reading and Discussion Group meets on the first Tuesday of each month, September through June. The next meeting will take place on October 3rd to discuss The True Believer by Eric Hoffer. The reading for November 7th will be F.B.I. (Rossum’s Universal Robots) by Karel Capek, which can be found in the Great Books Foundation’s Great Conversations available at the Circulation Desk. You may join the group at any time. Just read the chosen selection and come prepared for a stimulating discussion.

MUSEUM PASS REMINDER

We are delighted with the popularity of our Museum Pass loan program, and we know you all are too! So many happy patrons tell us how glad they are to take their families to places they might not otherwise afford, and also tell us that they have learned of great places they did not know about. So that the program will continue to flourish, we just have a few reminders. If you book a pass, it is reserved for you and no one else can use it on those days. This means that if you book a pass and don’t pick it up, or neglect to phone us to cancel, the pass sits unused. Even more serious is the failure to return the pass when it is due back because this causes disappointment and inconvenience to the family who has booked it after you: their plans are put on hold because they cannot visit without the pass.
